

LEXINGTON LEADER
AFTER JOE BOGGS?Looks Like Wholly Undeserved
Partisan Attempt To Discredit
Road Commissioner

(Lexington Herald)

Evidence of a conspiracy to remove State Highway Engineer Joe S. Boggs from office is claimed by Democratic leaders in Kentucky, who assert that the first "overt act" was the publication in the Lexington Leader, a republican newspaper, of news and editorial matter insinuating inefficiency and connection with a company furnishing road building material to the state.

The attack on the administration of Mr. Boggs was based on a report made by County Judge F. A. Bullock by S. A. Barber, maintenance engineer of the state road department, on an inspection of Fayette county roads. The inspection was ordered by Mr. Boggs to determine if the roads were in fit condition to be taken over by the state for maintenance.

Certain repairs to the several roads were called for in the report from Mr. Barber as a preliminary step to the taking over of the roads by the state road department. Mr. Barber referred to certain sections of these roads as "rock asphalt" which are constructed of other asphalt material.

"I am unable to determine the difference between asphalt warrenite or topeka mix without digging up a plug of the surface and examining it," was the statement made by the Herald representative Monday by an engineer who is considered one of the best authorities on asphalt in Kentucky.

This answer was made to an editorial in the Leader that "any road engineer who can not, even from the automobile seat, tell the difference between rock asphalt and warrenite or topeka mix, is either careless, inefficient or influenced by improper motives."

In a statement made public Monday, State Highway Engineer Boggs declared that "Mr. Barber, an experienced engineer, and a republican, was appointed to be chief of one of the four main divisions of the road department upon the recommendation of competent engineers and upon the recommendation of Governor Ed. Win W. Morrow."

It is understood that Mr. Barber is not in good standing with the political machine of Alvin T. Hert and that an effort is being made to disqualify him by some means for his present position.

Mr. Boggs was appointed State Highway Engineer June 28 by the bi-partisan Highway Commission, composed of H. Green Garrett, republican, Winchester; Ben Weille, democrat, Paducah; H. H. Asher, republican, Pineville, and Ed S. Monahan, democrat, Louisville, provided for in an act of the 1920 General Assembly.

Revelation of a recent plan to replace Mr. Boggs with a republican engineer called an effort "to make the state road department a political pawn" met with protests from good roads enthusiasts in every section of the state, including many prominent republicans.

Chairman Garrett announced previous to the meeting of the Highway Commission at which the State Engineer was appointed that he had 150 telegrams urging the reappointment of Mr. Boggs for "efficiency" and as evidence of the non-partisan nature of the commission as pledged in the legislation which had the support of leaders in both parties.

Indignant denial of the insinuation of his being connected with the Kentucky Rock Asphalt Company was made by Mr. Boggs Monday, declaring that he would retire immediately from office if such were true.

The charges made by the Lexington republican editor were referred by Mr. Boggs to the Highway Commission at its meeting in Frankfort yesterday with a request that the matter be thoroughly investigated.

Mr. Boggs is the only democratic chief of a department remaining in office from the last administration. He was appointed commissioner of public roads by Gov. James D. Black, and not by Senator A. O. Stanley, when the latter was chief executive.

Today's Livestock Markets
Cincinnati, Sept. 15—Packers

FUND IS GROWING

(By Associated Press)

Boise, Idaho, Sept. 15.—Governor James M. Cox, democratic presidential candidate, stated in an address yesterday that "from \$25,000,000 to \$30,000,000" was being raised in an effort to defeat him. In recent charges he had put the total at about \$15,000,000.

Governor Cox yesterday extended instead of shortening his campaign tour through Idaho. His throat was so improved that he yielded to requests for additional short addresses in several cities.

The governor also extended his itinerary for today en route to Ogden and Salt Lake City. The candidate was still treating his throat with medicine obtained from Portland specialists.

The governor's statement was made during an hour's speech from the second story veranda of a Nampa, Idaho, hotel and was in response to a question from his audience as to how he expected to return conditions to normal when 80 per cent of the wealth is held by 2 per cent of the people. If 80 per cent of the people will forget their places, the governor replied, "and help me lick the 2 per cent that is raising a fund of from \$25,000,000 to \$30,000,000 to beat me, we will make the government an agency for the 100 per cent and not the 2 per cent."

Eight speeches dealing mainly with the democratic doctrine of "peace and progress" were delivered yesterday by Governor Cox.

This Clinches It

Hartford, Conn., Sept. 15.—The Connecticut legislature Tuesday afternoon by concurrent action, ratified the woman suffrage amendment to the federal constitution, making Connecticut the 37th state to ratify.

Legality of Suffrage
Amendment Questioned

(By Associated Press)

Hartford, Conn., Sept. 15.—Gov. Holcomb, doubting the legality of the ratification of the suffrage amendment by the legislature yesterday, making it the 37th state to ratify, has been withheld from certification. The legislature called a special session for next Tuesday to act on the amendment. The Governor said the action of yesterday did not concern him.

Millerand May Be Next
President of France

(By Associated Press)

Paris, Sept. 15.—Premier Alexandre Millerand is prominently mentioned as the next President of the French Republic, should President Paul Deschanel resign, because of ill health, as generally predicted, according to the Figaro.

Sensational Suit
Filed At Mt. Sterling

Mt. Sterling, Ky., Sept. 15.—Mrs. Alta E. Hill, through her attorney, W. B. White, has filed suit in the Montgomery circuit court for \$10,000 damages against Mrs. Ida Hill and Mrs. M. J. Moore, charging alienation of the affections of her husband, Frank Hill. The case will come up for trial in the October term of court and an account of the prominence of the persons concerned, will attract unusual interest.

ROOMS NEEDED FOR
VOCATIONAL PUPILS

All who wish to sign up rooms for the vocational training students, who will be sent here from the Cincinnati office, will see Stone Norman at the Red Cross office between now and September 16, as the report must go in not later than September 18. The government would like to place as many as 75 to 100 of these disabled soldiers at the Eastern Kentucky Normal School, provided the citizens of Richmond will agree to furnish rooming accommodations for them. There must be at least 40 rooms signed before the government will send any, so sign up today and get your neighbors to agree to take one or two of these students.

STONE W. NORMAN,
Secretary H. S. S., A. R. C.

ILLINOIS PRIMARY
ON WITH MUCH DOING

Chicago, Sept. 15.—Voting in Illinois state primary opened today briskly in Chicago with indications of a big vote. One precinct captain was reported kidnapped this morning by the opposition. Four arrests were made. One deputy sheriff appointed by Sheriff Peters of Cook county, to guard ballot boxes, was ousted by a policeman.

United States Senators, Representatives and Governor and nearly 90 other state officers were voted on by men and women today.

Interest centered upon the republican factional fight around ticket headed by Len Small, of Kankakee, supported by Mayor Thompson, of Chicago, and that headed by John G. Oglesby, lieutenant governor, supported by Gov. Lowden.

Sheriff Peters appointed 1,000 deputies to police the polls. Thompson retaliated by instructing the police to arrest the deputies found violating the election regulations or city ordinances.

Wilson To Take Hand In
Campaign If Health Permits

New York, Sept. 15.—President Wilson will be asked to participate actively in the democratic national campaign if his health will permit, Senator Pat Harrison chairman of the Speakers' Democratic National Committee, announced today.

All New York Endorsed
Candidates Win Out

(By Associated Press)

New York, Sept. 15.—Nathan L. Miller, of Syracuse, republican candidate for the gubernatorial nomination, and United States Senator James Wadsworth, runner for re-nomination, both organization candidates, won in yesterday's primary. Gov. Alfred Smith was renominated without opposition by the democrats. Lieutenant Governor Harry C. Walker, an organization candidate for the democratic nomination for United States Senator, was also endorsed. The regularly endorsed candidates were victorious virtually in all contents for nominations.

Miners Await Reply

Hazleton, Pa., Sept. 15.—The anthracite mine workers policy committee today awaited a reply from Secretary of Labor Wilson to its inquiry as to whether the Department of Labor will consider claims of 100,000 striking miners for increased wages, providing they return to work.

Japs Send Instructions

(By Associated Press)

Washington, Sept. 15.—The Japanese government empowered their Ambassador at Washington to negotiate with Secretary of State Colby regarding the Japanese immigration question.

War Mothers Meeting

Indications are that there will be a big attendance at the War Mothers meeting Friday afternoon at the Masonic club rooms, Main street. Mrs. Robert Burman, Sr., will be in charge. There will be routine business of much interest and importance.

MT. STERLING POLICEMAN
KILLS MAN ATTACKING HIM

Mt. Sterling, Ky., Sept. 15.—Policeman Rufus Stockdale shot and killed John Fay here yesterday. Fay was shot through the heart and died in a few minutes. Stockdale claims that Fay, who had been terrifying a neighborhood, attacked him and attempted to pull a revolver. Fay had been in much trouble, having killed one man and seriously injured another. It is said that he was intoxicated when he was killed. Stockdale surrendered.

ANTIS THREATEN
FEDERAL JUDGES

(By Associated Press)

Washington, Sept. 15.—A committee was appointed today by the Anti-Saloon League in conference here to draft a resolution warning federal judges that unless they "perform their sacred duties" in enforcing the prohibition laws, the League would seek their impeachment. The committee was named after speakers had criticized federal judges for alleged laxity in punishing those convicted of violation of the prohibition amendment and enforcement law.

Charges were made to the effect that some federal judges condoned bootleggers and moonshiners and the prohibition laws were made a farce in some sections by light punishment.

JAP EXCLUSION
IS ADVOCATED

(By Associated Press)

Washington, Sept. 15.—The exclusion of all Japanese immigrants was urged in a resolution adopted unanimously by the Veterans of Foreign Wars in annual encampment here. The abrogation of the "gentlemen's agreement" with Japan, amendment of Federal Constitution to make children born in this country eligible to citizenship only of both parents are eligible, are also favored. The resolution was introduced by Commander J. W. Jones who declared the "Japanese question will lead to grave international friction unless vigorous steps are taken to allay it."

Three Newport Children
Are Dead From Poison

(By Associated Press)

Louisville, Ky., Sept. 15.—The Post in a Cincinnati special today says: Shirley, 4, Carl, Jr., 2, and Stanley, 4 months old, children of Mrs. Carl Williams, of Newport, Ky., died early today as a result, it is believed, of eating some poisonous substance. The coroner is investigating.

1 KILLED; 3 HURT
IN CAR COLLISION

Lexington, Ky., Sept. 15.—One man was instantly killed, another severely injured and a third and his son were badly hurt Tuesday evening at 6 o'clock in a collision between an automobile and an interurban car at Stop 3 on the Kentucky Traction and Terminal Company's railway line between Lexington and Nicholasville.

The dead—Joseph Speigel, 42 years old, Jessamine county farmer.

The injured—William Bowen, 40 years old, farmer, of Jessamine county, injuries believed to be fatal.

Luke Gregg, 38 years old, farmer, of Fayette county, slightly injured.

James Gregg, 10 years old, Fayette county, son of Luke Gregg, slightly injured.

Speigel was killed instantly by the crash. Bowen was unconscious when found and at last report had not regained consciousness. Physicians at the Good Samaritan hospital are of the opinion that his skull is fractured, and despair of his recovery.

Gregg sustained a blow on the head that gave him a long scalp wound, but was not otherwise hurt, and was returned to his home after he had received treatment at the hospital. James Gregg, 10 years old, says that he was hurled through the top of the car by the collision and stunned.

The accident occurred in front of the home of C. S. Shriver, about three quarters of a mile from the city limits on the Nicholasville pike, as Gregg, who was driving, was returning to his home from his farm about three miles further out. Speigel and Bowen had been hired by Gregg to help him get in a crop of tobacco. Gregg was bringing them to Lexington when the accident occurred.

PROTRACTED MEETING BEGINS

A protracted meeting begins for a two-week period Wednesday night at the Hayes Fork Baptist church near Kingston, with the Rev. Ishmael In-sloy in charge. He is said to be an eloquent and earnest speaker, and hails from Louisville. It is probable that the special meetings will continue for a longer period.

STATE TO MAINTAIN
MADISON PIKE

Frankfort, Ky., Sept. 15.—The State Highway Commission has decided to take over the state maintenance of 6.6 miles of road in Henry county on the New Castle-Campbellsville road, 7-10 miles of the Shelbyville road and 8 miles of the Owenton-Togratz road.

The commission will maintain 16 miles of the Dixie Highway in Madison county as soon as 4.7 between Richmond and Berea are completed, the contract for which will be let October 5. Madison county will contribute \$2,000 toward the construction of the road.

At the same time contracts will be let for the construction of 14 miles of road from Glasgow to the Hart county line, 16 miles from London to the Rockcastle line, a road between Williamsburg and Corbin, 19 miles on Christian county on the Dixie B-line, a road from Henderson to the Webster county line, 1 mile in Menifee county Frenchburg to West Liberty road.

FELL IN TOBACCO
BARN AND BROKE ARM

Will Shelton, employed on the farm of Collins Long, broke an arm and sustained internal injuries when he fell from the top of a barn Wednesday morning. Mr. Shelton was engaged in hanging tobacco, and in some way lost his balance. The broken member was set and Mr. Shelton is resting as easily as possible under the circumstances.

OHIO DETECTIVES ON
HARLAN MURDER CASE

Harlan, Ky., Sept. 15.—Detectives from Cincinnati, employed by the Pine Mountain Settlement School to assist in solving the mystery surrounding the murder of Miss Lura Parsons, teacher at the school, who was assaulted, robbed and slain on a mountain trail here a week ago, will request Dr. H. C. Winnes, state veterinary agent, held here under guard and charged with the crime, to accompany them across the mountain over the route he says he took on the day of the killing. Dr. Winnes says he will gladly comply with the officers' requests in order to help clear up the circumstances surrounding the murder.

At the same time the grand jury is considering the case in all its aspects and witnesses have been summoned to tell their stories. Circuit Judge W. T. Davis arrived yesterday and ordered an investigation.

In the meanwhile, investigations conducted by the county officials have led nowhere. Deputy Warden U. M. Greene, who returned from the reformatory at Frankfort to take charge of the negro convict camp near the scene of the crime, is firm in the opinion, according to County Judge W. L. Bailey, who conducted an investigation, that none of the convicts is guilty and that the whereabouts of all of them has been definitely accounted for.

Judge Bailey conducted an investigation at Dillon, the railroad station below the camp where Doctor Winnes and the murdered woman left for the Settlement School. Witnesses were sworn and gave testimony. Among the was Wilson Lewis, owner of the gray mule which Wines rode over the mountain. Lewis came back from the school with Wines Wednesday, the day following her murder. Lewis, Judge Bailey said, testified that on the way back over the mountains some one was heard singing in the woods.

Winnes asked him who it was, he said, and Lewis told him it was probably some of the convicts. Winnes then remarked, the witness said, that it would not seem to be safe for a woman to cross the mountain alone with these negroes around, and then asked him how a man would be dealt with in this country who would commit a crime against a woman. Lewis said that he told Winnes he did not know, and that no such crime had ever been committed in this vicinity.

After they had reached Dillon and the alarm had been raised that the woman was missing, Lewis said Wines remarked that she might have fallen over a ledge of rock and broken her neck.

Judge Bailey said that the chief murder.

Weather For Kentucky
Thunder showers this afternoon
or tonight; cooler in west
portion tonight; Thursday fair
and cooler.\$10,000 DAMAGE SUIT
FILED AT JACKSON

Jackson, Ky., Sept. 15.—A damage suit for \$10,000 was filed by Clay Watkins in the Breathitt circuit court against the Cumberland Telephone and Telegraph Company for alleged false and defamatory testimony given by the company's operator, Miss Lottie Combs, in the case of W. L. Kash against Sam Hurst, now being tried in the Lee circuit court.

Watkins claims that the telephone operator testified in substance that Watkins in a telephone conversation with Blaine Short, told him to keep under cover certain witnesses who were to testify in the Lee county court, which is to contest the election of circuit judge in this district.

Watkins is an attorney and justice of the peace in Breathitt county. The plaintiff in the damage suit is represented by Cope and Cope, of Jackson.

"Wine of Pepsin" Popular
Drink In Louisville

Four more druggists were cited to appear today before W. B. Stanfield, prohibition enforcement inspector, at his office in the Federal Building, and show cause why their license to handle alcoholic liquors for medicinal purposes should not be revoked for infractions of the regulations of the Prohibition Enforcement Commissioner.

A. P. Markendorf, Twenty-second street and Broadway, is charged with filling 200 liquor prescriptions in May and 300 in June, "practically all emergency prescriptions for trivial diseases" and with failing to keep the proper records.

V. B. Million, proprietor of a drug store at Twelfth street and Broadway, is charged with filling 1,500 emergency prescriptions in about two months and a half and with selling "large quantities" of wine of pepsin, which he is said to have purchased at the rate of from one to five gallons a day. Wine of pepsin is said by the prohibition officers to be composed of 24 per cent grain alcohol, 74 per cent sherry wine and 1 per cent essence of pepsin.

Prohibition officers said Million admitted that he recently bought a barrel of wine of pepsin containing 52 gallons. The officials said that this is the most popular "prohibition tippie" in Louisville.

Boyd county gained 5,837 in population. Ashland has increased from 8,628 to 14, 729.

reason Dr. Winnes has not been released has been the failure up to now to account for the length of time it took him to cross the mountain. Dr. Winnes' explanation has been since the first that he lost his way on the unfamiliar road. County officials are convinced of Dr. Winnes' innocence, they say, but point out that several persons connected with the school want him held pending further investigation.

Can't Identify Guards

Frankfort, Ky., Sept. 15.—Deputy Sheriff Nolan, of Harlan county, was unable yesterday to identify the reformatory guard who told him at the station here that two of the negroes brought back from the Harlan county convict camp knew who killed Miss Lura Parsons, the Pine Mountain Settlement School teacher, who was assaulted, robbed and beaten to death on a mountain trail a week ago Tuesday. Nolan inspected all of the reformatory guards here yesterday and all were questioned. Each denied having made such a statement.

Nolan is positive that his informant wore a guard's cap. He said that Dr. H. C. Winnes, state veterinary agent, held under guard at Harlan, charged with the crime, but not yet given an examining trial, saw the guard talking to him. Winnes will be brought here to try to identify the guard, Nolan said. Warden Moyer is interested in the case not only for the sake of what light can be thrown on the murder, but also to learn whether some guard has been making wild statements.

Governor Morrow has offered \$500 reward for the arrest and conviction of the murderer of Miss Parsons.

Nolan reiterated his belief that Winnes is innocent and that evidence will prove James Robinson, negro convict water carrier, guilty of the

MADISON HIGH TO
BE MADE MODERNImprovements Represent Outlay
of More Than \$10,000—Work
and School Progress

Although school is progressing very nicely at Madison High school, according to reports, work is going on in the various departments and studies are not interfere with. Indications are that this will be continued until the completion of the work and the school sessions will not be hindered. The plumbing work may be held up slightly owing to the delay in special material, which has long since been ordered, and the heating system is now receiving the attention of the workmen. Carpenters, too, have a little work to do at the place, and when the improvements have all been completed the outlay will represent an expenditure of more than \$10,000, according to the present estimates. The work now being done is virtually guaranteed for a period of a score of years or more, and the members of the board believe that anything worth doing is worth doing right.

The one outstanding feature of the improvements will be the gymnasium, this to be provided and equipped much to the enjoyment of the young men, especially. The plans call for a commodious building and there will be paraphernalia which, together with the manual training department, will make the school one of unusual attractiveness for the boys especially. They have been desirous of the establishment of a gymnasium for years, and it has been promised, and while it is one of the features to be completed last, it will be provided and made ready for use at the earliest date possible.

HAGGARD TAKEN TO
LEXINGTON JAIL

Winchester, Ky., Sept. 15.—Rodney Haggard, attorney, indicted for murder of Ben Good, was taken to the Fayette county jail Tuesday night, owing to the fact that his father-in-law, J. S. Mullins, is jailer here.

Mrs. Haggard, who is separated from her husband, is living with her father in the residence part of the jail. After a bench warrant was served on Haggard Tuesday and his attorneys decided to waive a hearing for bond they agreed at a conference that it would be better to place him in the Lexington jail.

Haggard has been out under guard since his arrest the night of the slaying several weeks ago. He has not yet made any statement in regard to the killing, since which time his wife had filed suit for divorce and charged him with attempts to "injure her reputation."

YOUNG PARIS MAN ELOPES
WITH LEXINGTON GIRL

Paris, Ky., Sept. 15.—James Clay Ward, son of Mr. and Mrs. J. Miller Ward, wealthy young farmer and horseman of Bourbon county, and Miss Neida Roscoe, of Lexington, eloped to Cincinnati and were married Tuesday. The bride is assistant county superintendent of schools of Fayette county. She is a sister-in-law of Dr. Joseph A. Goodson, superintendent of the Eastern Kentucky State hospital. Mr. Ward is a grandson of the late James E. Clay, running and trotting horse breeder.

Parental objection was the cause of the elopement. Mr. Ward served in the war as a lieutenant, recently returning from overseas. Anticipating disinheritance, young Ward has obtained a position in a local garage and rented a small cottage here.

Mare Stake At Fair

Louisville, Ky., Sept. 15.—Ade-laide Genee, property of W. L. Lewis, of Tulsa, Okla., won first premium in the \$2,500 five-gaited saddle mare stake and the Louisville-Old Inn Trophy, with a valuation of \$250, at the State Fair Tuesday night. The victory makes the mare eligible for the \$10,000 stake on Saturday evening.

Lady Beautiful, shown by Wm. Shropshire, Winchester, was second; John Woods was up, on Mena, property of O. B. Brown, Berlin, N. H., which was third; Helen Brannen, owned by James Brannen & Son, Maysville, was fourth, and Effie Dean, Ed Berry teaming, property of H. B. Stewart, was fifth.

WITH each package of Rookwood coffee we sell this week, we give free, a package of Rookwood Tea. D. B. McKinney and Co.

Ohio Negroes Issue

Political Dodger

(From Cincinnati Enquirer)
Columbus, O., Sept. 13.—Violating officials say, the Ohio law which requires signatures to any political documents, there was circulated by negroes today a small "dodger" which calls for a union of Germans and negroes to "Americanize America." The "dodger" made its appearance today simultaneously with an appeal by a negro Baptist leader, for full social and political equality of the white and black races. He demanded that the negroes be permitted to go to any hotel, barber shop or other public place with the whites.

Harding To Californians

Marion, O., Sept. 15.—To a delegation of Californians, Senator Harding declared Tuesday that the nation must "stand behind" the state of the Pacific Coast to relieve them of the difficulties of Oriental immigration and must see that only such aliens that can be assimilated and imbued with thorough Americanism are admitted.

The dangers of racial conflict, said the republican nominee, must be recognized and provision made to reduce them to a minimum. He suggested that such steps could be taken without offensive reflection on any race and without raising the question of racial inferiority or inequality.

In his speech to the Californians the Senator also suggested the necessity of a protective tariff to aid American farmers, and replied at length to democratic charges of a republican Senate oligarchy. He reminded the voters that Senators are elected by popular vote and declared the democratic leaders were opposing Senate influence because they wanted to perpetuate autocratic personal government.

REV. VAN LOAN TO ADDRESS

SENIOR CLASS AT NORMAL
Rev. John VanLoan, D. D., of Little Rock, Ark., has accepted an invitation to deliver the baccalaureate sermon to the senior class at the Normal chapel next June. Dr. VanLoan graduated from Central University here and later taught in the preparatory department. He is now one of the most scholarly and eloquent divines in the southland.

A PAIR OF TIGHTS

David Johnson and Daniel Kelly, traveling solicitors, presented themselves before City Judge Smith Monday night and a charge of intoxication was presented to them. There was a verdict of guilty in each case, after the testimony of the arresting officer had been introduced, and a fine of \$10 and costs for each was assessed. Both paid.

RECORD BREAKING CORN CROP ASSURED

High Price For Product and Tobacco Situation Bring About Very Important Change

Not only is there a bumper corn crop predicted for Madison county, but a record breaker, since reports are to the effect that the quantity this year is the greatest in the history of the county and the quality is not far behind. There is a large acreage, much greater than usual, superinduced by the high price of the product. For years there has been a scarcity of corn in this section owing to the great acreage devoted to tobacco. However, there is a change being experienced in favor of the corn, and many will realize handsomely on the abundant crop this year and be induced, reports have it, to devote more ground to corn another year, instead of tobacco.

"There has not been sufficient corn in Madison county to supply the demand for feed when grass was short," asserted one man, in speaking of the situation, and he added that there was at least one-third more acreage this year than last and predicted the acreage would be doubled, owing to the tobacco situation another year. "There are not so many chances on corn," he claimed, and should there be a shortage in production as well as a decrease in price, it can be stood better than the same results with a crop of tobacco. This year will tell the tale with a number of tobacco raisers, I believe, and cause many of them to stop and think twice before devoting so much money to its culture. It is my belief, as well as many others, that there will be a continuance of tobacco production, with many losers. However, there will be many turn to corn and other products that will insure a better return for the money, without so much risk. The situation is such that the farmer must have good returns for his work which is at a higher premium than for many years, and he cannot afford to take too many chances on the production. He must get results to pay for the expense of production these days."

County Judges To Meet

The County Judges' Association of Kentucky will hold its annual session in the court house at Louisville on September 21 and 22. Addresses will be delivered on various topics of interest to the members and a discussion of the subjects will follow.

When Company Calls

You can add just that little festive note when company calls; that happy touch of pleasure and delight, if you play your favorite records on the

Columbia Grafonola

Music, played in your own home, as only Columbia Records played on the Columbia Grafonola can reproduce it, always entertains, delights, and gives a world of pleasure.

Simply start the Grafonola when your guests come. It plays and stops itself because it has the only *Non Set Automatic Stop*. Never stops before it should. Always stops at the very end. Nothing to move or set or measure. Call and let us demonstrate the stop that needs no setting.

W. F. Higgins

MUST SELL 1,000 TICKETS TO CONCERT

Will Lexington and the adjoining country support the undertaking to bring Geraldine Farrar and Madame Schuman-Heink on the same program with the New York Philharmonic Orchestra and the Cincinnati Symphony Orchestra? This question has been asked repeatedly since the announcement was made a short time ago that Miss Anna Chandler Goff would make an effort to arrange the series. The answer to the question will come when the 1,000 season tickets have been sold.

The date for the appearance of the Cincinnati Symphony Orchestra is October 6, matinee and evening concert. The soloists appearing with the Cincinnati Symphony will be Robert Millard Russell, tenor, and Jessie Christian, soprano. The assisting artists with Geraldine Farrar will be Edgar Schofield, baritone, Ada Sassoli, harpist, and Claud Gott, self, accompanist. Miss Freese Green, soprano, will be the soloist with the New York Philharmonic Orchestra.

The concerts will be given in the Woodland Auditorium, and the prices of season tickets, which include the four evening concerts, will be \$9.90 for seats in the two central sections; \$7.70 for seats in the two side sections; \$6.60 (student rates) first two rows in the balcony. A special student rate of 55 cents is given for the matinee of Cincinnati Symphony to teachers and their students when seats are bought in blocks of 20 seats or more.

Make reservations now by writing or telephoning to Miss Anna Chandler Goff, director of the Lexington College of Music.

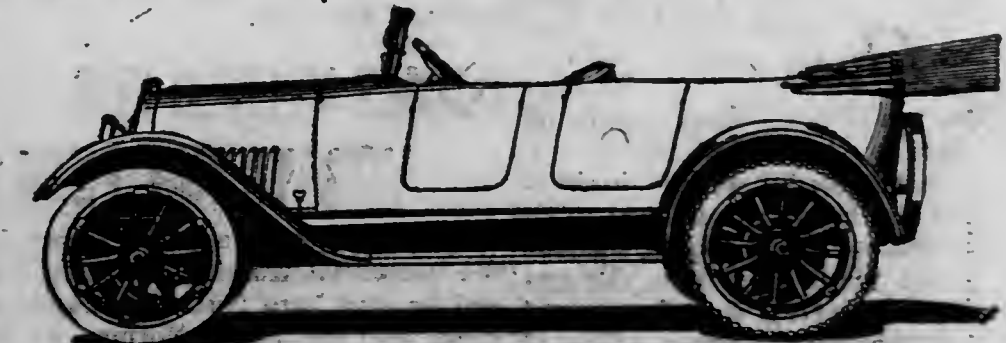

WE give free one package of Rookwood Tea with each package of Rookwood coffee you buy this week. D. B. McKinney and Co. 221 6

SOCIAL AND PERSONAL

Miss Hanger Guest of Party in Lexington

Miss Mary D. Vanhook entertained at cards Saturday afternoon at the home of her parents, Mr. and Mrs. William Vanhook, on the Richmond road, in honor of Miss Mary Barrow and her guest, Miss Elinor Strong, of Long Island. Marigolds in yellow tints were used in the floral decorations, making the cheery home yet more cheerful. Lees and cakes were enjoyed by the young guests. First prize was a brass guest room door knocker; the second, a Kodak album, and the consolation, a diary. Seven tables accommodated the players, who were Misses Barrow, Strong, Mary Walton, Rheta Johnston, Miriam Botts, Martha Wilson, Elizabeth Wood, Anna Pearce Carrick and her guest, Elizabeth Hanger, of Richmond; Margaret and Elizabeth Van Meter, Margaret Long, Virginia Hamilton, Frances and Virginia DeLong, Dunster Duncan Foster, Janet McVey, Ruth Bannister, Louis Duncan Brown, Frances Renick, Mary

Stofer, Emily Gregory, Frances Field Coleman, Eleanor Smith, Jo Lawson Tarlton, Clay Miller Elkin and Nanette Wile.

Six O'clock Dinner For Miss Lee

Mr. and Mrs. Matison Lee entertained with a six o'clock dinner yesterday evening at their home on the Lexington road, honoring Miss Louisa Lee, whose marriage will take place this afternoon to Mr. Glen John McCadham, of Texas, at her home on the Harrodsburg road. Covers were laid for twelve. White and yellow flowers were used in the decorations, and white and yellow were carried out in the cennu. A delicious course dinner was served. Those accepting Mr. and Mrs. Lee's hospitality were Miss Louisa Lee, Mr. Glen John McCadham, Mr. and Mrs. Murray Smith, of Richmond; Mr. and Mrs. Robert Lee, Miss Josephine Bell, Lieut. Commander David Rowland Lee, of Coco Sobo, Casal Zone, and Mr. Caldwell Lee, of Knoxville.—Danville Advocate.

The true measure

of value is what you get for what you pay. You can buy shoes for less but you do not get the long service, perfect fit and lasting style of The Florsheim Shoe.

Florsheims give you value for what you pay

KODAK FINISHING

Bring Them Today; Get Them Tomorrow.
THE McGAUGHEY STUDIO

Beautiful Dinner

Mrs. Jake White was hostess to a very elaborate dinner party Tuesday at her home on the Jack's Creek road in honor of Mr. and Mrs. L. W. Minter, who are with relatives here from Natchez, Miss. Besides the honor guests, covers were laid for Mrs. Mary Sullivan, Miss Kathleen Sullivan, Mrs. Alice Tribble, Miss Mattie Tribble, Mrs. J. J. Embry, Miss Cooper, Mrs. Price Gumm, Mrs. Sanford Oldham, Mrs. Gordon Burgin, Miss Carrie Oldham, Mrs. Jonas Rucker, Mrs. Walter Q. Park, Mrs. D. M. Phelps, Mr. and Mrs. W. A. Langford, Mrs. R. C. Cobb and children, of Stanford; Miss Lucille Minter and William Langford, Jr.

D. A. R. Meeting

The first meeting of the fall of the Boonesborough Chapter of the D. A. R. was held Tuesday afternoon at the home of Mrs. A. K. McCown. She and her mother, Mrs. T. D. Chenault, were to have been hostesses, but Mrs. McCown being in Martinsville for a several weeks' stay, Mrs. Chenault was assisted by Mrs. Thomas C. McCown. The house was filled throughout with a profusion of flowers and quite a large number of the members and several guests were present, this being the first meeting since the summer vacation. So much business had accumulated during this time that none was transacted, but a special business meeting called for September 26, to be held with Mrs. George W. Phelps on West Main street. All members are urged to be present at this time. The program for the afternoon was opened by a scripture selection read by Mrs. Patti and the Lord's Prayer in unison. Then there followed what was really a beautiful memorial service to Mrs. Rollins Burnam, led by Mrs. Caperton and with affectionate and appropriate remarks by Miss Mattie Tribble, Mrs. Keith, Mrs. Kellogg and others. The regular magazine review was given in a very interesting manner by Mrs. Thomas Jackson Smith. Friday being the 133rd anniversary of the promulgation of the constitution of the United States, all patriotic societies are asked to observe that day in some way out of respect to this request. Mrs. Tutt Burnam gave a most splendid, instructive and scholarly resume of the original constitution and the nineteen amendments, not dealing specifically with them, but more with the constitution as a whole. Her talk was greatly enjoyed.

WANTED—Two Girls, Clerks, for Cafeteria; good wages. Call or write at once. Address T. D. STEWART, Manager, American Cafeteria, Winchester, Ky.

ed by all. After delicious refreshments, the Chapter adjourned to meet in October, with Mrs. Bosley and Mrs. Bright as hostesses.

Miss Benton Entertains

Miss Bessie Benton, charming young daughter of Judge and Mrs. J. M. Benton, delightfully entertained Saturday evening at her home on South Maple street for her girl friends who will go away to various schools. Music and dancing were enjoyed during the evening. Delicious ices and cakes were served. About sixteen guests were present.—Winchester Sun.

Delightful Motor Party

Mr. and Mrs. Paul Burnam were hosts for an all-day motor party through the blue grass on Thursday for Mr. Albert Russel's house party. Through the courtesy of Mrs. Ben Buckner the luncheon was spread under the beautiful trees at Xalapa. The guests included Misses Mary and Isabel Bennett, Sue and Mary Emily Chenault and Florence Burnam; Messrs. Albert Russel, Dana Bent and Alpheus Stickney.

Mr. Earl Mcboulge spent the weekend in Louisville.

Mr. Vernon Leer is in Cincinnati this week on business.

Mr. Mitchell Taylor, of Danville, was a recent visitor here.

Mrs. R. B. Terrill will spend the week-end in Louisville.

Miss Mattie Tribble is spending the week with Mrs. Vernon Leer.

Miss Catherine Mize, of Winchester will arrive Monday to enter Eastern Normal.

Mrs. P. M. Smyre, of Hotel Glynndon, is taking treatment at Berea hospital.

Miss Annie Johnson has returned to Stanford, having spent the summer here.

Mrs. Perry Winburn and daughter, Miss Stella, were guests of friends in Paris Sunday.

Mrs. Mary B. Dean is expected this week to take charge of her work at the Normal.

Mrs. G. Murray Smith and son returned Tuesday from a visit to relatives in Danville.

Mrs. E. F. Masters has returned from Lexington, where he went to consult a specialist.

Miss Florence Burnam will leave in a few days for Miss Madeira's school in Washington City.

Mrs. W. D. Anderson and children, of Paint Lick, spent Saturday with relatives in Richmond.

Mrs. Homer W. Carpenter has issued invitations to a tea Friday afternoon from 4 to 6 o'clock.

Miss Ollie T. Williams of Louisville, is expected this week to continue her course at the Eastern Normal.

Mrs. Pickett Blake and son, of Carlisle, were guests of Mrs. L. D. Blake and family for a week-end visit.

Miss Louise Terrill has accepted a position in Kirksville High school and left Monday to begin her work.

Miss Mary Catherine Jasper will leave next week for Sullins College, Bristol, Va., to continue her school work.

Mrs. Edward Reblitt, of Cincinnati, is visiting her daughters, Misses Anna Bell and Adeline Ward, on New Broadway.

Mrs. G. R. Combs has returned to her home in Shelbyville after a visit to Mrs. W. A. Langford and Mrs. Vardly Taylor.

The Lexington Leader says: "Mr. and Mrs. Tilton H. Embry, of Cleveland, have joined Mrs. Robert Jewell's house party in Jessamine county and will visit Mr. Embry's mother, Mrs. Nannie Jewell Embry, at Shaker-town."

A Letter to Mothers

Who Have Delicate Children

This mother writes:—"My little girl five years of age had been delicate all her life. Pneumonia left her in a very weak, run-down, nervous condition with no appetite. We were very much worried. Our druggist, who is a doctor, said Vinol was the best tonic he knew for one in her condition. We tried it and you ought to see how she has improved by its use. I cannot say too much for Vinol."

Physicians Prescribe and Druggists Recommend

BIG OPENING

of Muncy Brothers' Berea Branch Store

Two Big Days

FRIDAY and SATURDAY, SEPTEMBER 17-18

Two Big Days

A Word of Greeting to Our New Friends:

It gives us a source of great pleasure to announce the opening of our branch store in Berea. We have had the idea under consideration for some time, realizing that to be able to secure the business of our friends in this community we should bring our special lines within their reach; since it was a disadvantage a great number of times for them to journey all the way to Richmond to make their purchases. We felt that this step is one in the line of progress and that it marks a new era in the history of our business. We come in the most friendly spirit towards those in our competitive line, realizing that there is a certain amount of trade we can secure that has been going to other cities, and keeping this money in circulation in this community. We will carry a number of standard lines heretofore never sold in Berea, and it will be our intention to give the people the very best service it is possible to render. We want you to feel at home in our store at all times.

20 PER CENT REDUCTION at Richmond and Berea Stores

One of the features of this opening of ours will be the 20 per cent discount which will include most everything sold at our store. When we say we allow you 20 per cent discount, we mean that that we give you one-fifth off the regular price, and each article is marked in plain figures. This discount will be allowed for the two days, and after that the prices go back to the regular price.

Our Richmond friends will be afforded an opportunity to take advantage of the 20 per cent discount on most everything in stock at the Richmond store. Don't fail to take advantage of this discount offered for these two days.

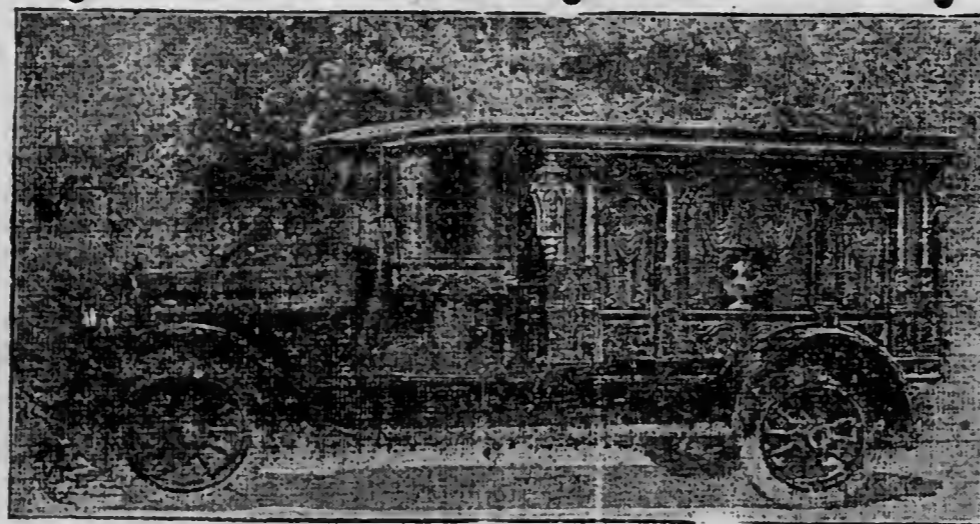

20 Per Cent Off

\$25 Rocking Chair and \$18 Aluminum Set Given Away

As has been the custom at our Richmond store, we are going to give away free presents from time to time during our stay in Berea. On Friday at 4 o'clock we will give away free of charge a beautiful \$18.00 Aluminum Set. On Saturday we will give away a beautiful \$25.00 Rocking Chair. Each person entering our store Friday and Saturday will be given a ticket (whether they make a purchase or not) and each person is required to write their name on the ticket and place them in the large box to be found right at the entrance of the store. At the hour of 4 o'clock each afternoon, a little girl will be chosen from the crowd, who will draw one ticket from the box and the name appearing on the ticket will be given the prize. Additional tickets will be given to those making purchases during the opening days, but every one has a chance to get the prize.

Undertaking Department

Our Undertaking Department will be one of the features of our Berea store. We have the very finest equipment, including a beautiful motor hearse, and an embalmer who is a graduate of the Cincinnati College of Embalming. You can reach us during the day by calling Phone 42 and any time during the night by calling Phone 112. We are at your service at all times.

Big Aluminumware Sale

\$1.68 each

We will have a beautiful display of Quality Brand Aluminum Ware, which will be sold at \$1.68 for each piece. There are \$2.50 and \$5 values, and you'll have to come early in order to get the best pieces. All of this Aluminum Ware is guaranteed for 20 years and you get a bargain if you buy. Sale opens at 3 p. m. Saturday, and closes at 4 p. m.—one hour only. No telephone calls; nothing laid aside.

Four Quart Colonial Kettle
Five Quart Tea Kettle
Six Quart Preserving Kettle

3 Quart Colonial Sauce Pan
Six Quart Preserving Kettle

1 piece of each kind to each person—No phone orders—Nothing laid aside.

Demonstrations by the Factory Representatives

We are making arrangements with the factory to send us for our opening expert demonstrators, who will have their different lines on display for these two opening days. Come in and meet these experts and let them tell you of their wonderful lines.

Pianos---Victrolas

It is our intention to feature musical instruments. We will have our player pianos and Victrolas beautifully displayed, and you are invited to come in any day and hear the latest records and player rolls. You will be welcomed to visit this department whenever you feel like it. We want you to come.

Big stock of rolls and records—come in and make your selection.

REGULAR BOYS' STORE--THIRD FLOOR

TOO MANY—TOO FEW

The cause of the high cost of living and the unrest of today is because we have too many of some things and too few of others. We have:
Too many sleeping porches and too few alarm clocks.
Too many billiard cues and too few line handles.
Too many apartment houses and too few homes.
Too many silk socks and too few gray mixed ones.
Too many silk shirts and too few blue work ones.
Too many baseball rooters and too few farm hands.
Too many high heel shoes and too few common sense ones.
Too many movie stars and too few cooks.
Too many wildcat stock certificates and too few Liberty Bonds.
Too many striking and too few at work.
Too many cussing and too few praying.
Too many consuming and too few producing.

Too many wrist watches and too few time cards.
Too many Georgetown waists and too few bungalow aprons.
Too much envy and too little brotherly love.
Too many laws and too little enforcement.
Too much movie going and too little church going.
Too many politicians and too few statesmen.
Too many preaching and too little practicing.

The instructors for Eastern Normal have begun to arrive and there will be a continual influx of teachers and students started soon, incident to the opening one week hence. The enrollment increases and work on the buildings is being hurried. Prof. Ashby Carter, of Nashville, who will be an assistant in the science department, will come the last of the week, as will others added to the faculty.

BURGLARS AT BURGIN

Burgin, Ky., Sept. 14.—Robbers made a raid on Burgin Saturday about 2 o'clock by breaking into the Q. & C. depot, where about \$80 was secured; next they broke into Schoolfield's drug store and ransacked his safe, cash register, etc., and on \$125 in pennies was all in the drug store, and this they failed to take. Then the postoffice was broken into by smashing out a large window glass in front, but nothing was missing, as all the money and stamps had been taken to the bank the afternoon before. The last place visited was the grocery store of John L. Dunn, where the front door was forced open when the robbers were met by Mr. Dunn, who opened fire on them with a revolver, shooting five shots at them as they fled and made their escape.

TOBACCO MEN ARE VERY OPTIMISTIC

Many Believe With Fair Prices Next Year Will Be Even a Greater Producer

The fact that with but one-half the tobacco of Madison county cut and in the barns there is a quantity almost equal to that of last year, is pleasing to the producers, who assert that the county will be heard from this year when the sales start. There is a greater quantity also that is not of record quality, but they contend it will assist greatly in helping out with the high cost of production, since there will be the largest sales reported in years here. There is also some of the finest tobacco ever raised in Madison, it is asserted by some, who believe the result of the year's work will be very satisfactory when taken as a whole. There are some sufferers from rust and blight. However, it is said the immense quantity being produced will greatly offset the effect of this if judicious handling follows in the sale of the weed.

There has been considerable new territory devoted to tobacco this year and the bulk of this will bring about some unusual quality. The ground that has been producing good tobacco heretofore is responding well, it is said, while the high ground has been subject to the full effect of the rust. There is a fight on against this, however, and there is a belief among many that there are already assurances against a repetition to any great extent and visions of a bumper crop next year. One producer said he believed the rust would be successfully fought, and with a good price, and if such can be obtained this year will make the industry even greater next year.

STORING FRUITS AND VEGETABLES

Every year people have trouble to keep fruits and vegetables through the winter. Much of this trouble can be eliminated and large amounts of foodstuffs saved annually if a few simple rules are followed. The College of Agriculture at Lexington has found that where good specimens of fruits and vegetables are stored in boxes or crates in rooms such as cellars or caves good ventilation must be provided. This can be accomplished in several ways. First, make sure that all the containers as boxes, barrels and crates have openings so as to permit a good circulation of air. Bore holes in sides or bottoms or cut slats in the sides. Second, be sure that some means is provided whereby there will be a good circulation of air in the storage room. Openings are usually found in the top of all cellars or caves, but unless some means is provided to admit the cold air to the floor there will not be much ventilation even when there is an opening at the top. Often six inches cut off the bottom of the door will provide a good circulation of air. This opening can be covered with wire netting to exclude rats and cats. This circulation can also be provided by laying a 10-inch tile from the outside to the center of the floor, remembering

DYE RIGHT

Buy only "Diamond Dyes"

Each package of "Diamond Dyes" contains directions so simple that any woman can diamond-dye worn, shabby skirts, waists, dresses, coats, gloves, stockings, sweaters, draperies, everything, whether wool, silk, linen, cotton or mixed goods, new, rich fadeless colors. Have druggist show you "Diamond Dyes Color Card." It

ing to have the outside opening at least two feet lower than the opening in the floor.

With these simple suggestions followed in providing a means of ventilation anyone should be able to keep fruit and vegetables. As a rule the nights are cool in the fall and by opening all ventilators at night and closing them in the day it is possible to keep the storage room very near the night temperature.

DAY OF ATONEMENT BEGINS SEPTEMBER 21

The Day of Atonement or "Yom Kippur," tenth day of the month of Tishri, begins at sunset Tuesday, September 21 and ends at sunset Wednesday, September 22. The thought underlying the day is expressed in the scriptural words: "On this day, He will atone for you, to purify you from all your sins." It is a day, therefore, of reconciliation of man with his fellow-man and with God, and comes as a climax to the holiday season which begins Sunday, September 12th, with the New Year's Day and continued through the ten days of penitence. On New Year's Day the judgment of those who have been neither completely righteous nor utterly sinful was left undecided and the opportunity was given them for repentance. The Day of Atonement provides all men with the possibility of returning to God and of finding reconciliation with Him through prayer.

The Day is the most solemn of all days in the Jewish calendar. It is passed in fasting and prayer. The whole day is spent in the synagogue. In the evening there is the service which commences with the chanting of the well known Kol Nidre. The day proper has four services. Of these the Mussaf, or additional service, contains a description of the atonement rites as practiced in the ancient days in the Temple of Jerusalem. The Neilah service is understood to be held at the time when decision is finally made as to man's fate, and thus the Neilah prayers instead of having the usual phrase, "Inscribe us in the book of life," use the expression, "Seal us in the book of life."

According to Jewish tradition expressed in an ancient law-book the Day of Atonement, when spent in praying and repenting, will bring pardon for sins between man and God, but the sins committed by man against his fellow-man cannot be pardoned until he has appeased him whom he has wronged. This idea is based of the effort, always made before the Day of Atonement, to bring peace between friends who have become estranged and are on unfriendly terms with one another. In this way, the Day will put the worshipper at peace not only with his Maker, but also with his fellow-man.

JUDGE RICE MAKES RECORD IN CITY ATTORNEY ROLE

Monday night in the absence of City Attorney Chenault, Judge H. C. Rice officiated, and made a record of 1,000 per cent, winning all cases before him. There were half a dozen, and he brought about convictions in every case. City Judge G. Murray Smith admitted the record was a good one. Judge Rice officiated as city judge for years, and was an adept on the "other side," and seems to have made good on the side of the prosecuting attorney.

Prima Donna

It's nice to sit and listen to the Edison Disc Records. It's a great pleasure to listen to Galli-Curci and the different Victor artists. It's a good hearty laugh and plenty of fun to listen to the comedians on the Columbia. It's a great satisfaction to listen at the **Prima Donna** play all of these records with the same reproducer and tone arm at a big money value that none other can compete.

THE PRIMA DONNA PLAYS ALL DISC RECORDS WITH A SOFT AND MELLOW TONE

Prima Donna cabinets are highly polished on all sides, back and front. The Cabinet is 45 inches high, 20 inches wide and 19 inches deep. Hear it speak and play for itself. Sight cures the blind and to hear cures the deaf. When you both see and hear the **Prima Donna** play all records, you will note for yourself.

PEACH CROP SATISFACTORY

The last of the peach crop in Madison county and this part of the state will soon reach the market and the record for the year is said to be very good. The quality is said to be equal to that of last year. There are thousands of young trees placed last spring that will begin to bear fruit

next year, when it is predicted the production for this county especially will be greatly increased.

A girl who has been kept prisoner in a cellar at Joliet, Ill., for 19 years, has been found. She is said to have the mind of a two-year-old child and otherwise deformed as a result.

State Sunday School Convention Louisville, Ky., October 5-6-7, 1920

TOBACCO PRICE LOW IN CAROLINA

Growers Stop Sales When Lowest Price in Years Is Quoted—Market Hard Hit

Chairman J. W. Newman, of Woodford county, and Secretary E. M. Mansfield, of Carroll county, temporary officers of the Burley Tobacco Growers' Association, have returned from a trip to Eastern Kentucky in the interest of the association.

They reported the keenest interest everywhere in the formation of the organization and predicted a large attendance at the meeting of growers in Lexington on September 30.

Chairman Newman told of the low prices prevailing on the North Carolina market at its opening last week, the growers at Greenville stopping all sales at the warehouses and telegraphing their action because of the low quotations and other points in the state advising similar action.

Twenty-two cents was the average paid at the opening at Wilson, N. C., where last year from 58 to 72 cents was paid. One prominent planter said the prices offered were about \$10 a hundred below the very minimum the farmers had expected. While the sales were in progress a mass meeting was held at the court house in protest of the prices offered.

At Wilson, some of the lower grades brought cent a pound, having cost 3 1-2 cents to grade and tie. At Kingston prices were 35 to 50 per cent lower than last year's figures. Farmers at Goldsboro turned in their tags and refused to accept the prices offered. Prices ranged from 10 to 47 cents, the average being 20 cents.

Mr. Newman said the growers of Kentucky are keenly interested in the North Carolina opening, as the North Carolina leaf, like that grown in Kentucky, is much used for cigarette purposes, and every burley raiser in the state has been watching for the opening of the southern markets with a great deal of anxiety.

COUNTY TEACHERS GET PAY SATURDAY

The county school teachers will be in Richmond Saturday, it is expected, in large numbers, since the information has gone out that this will be the first monthly pay day. Superintendent Edwards stated Monday, however, that there were new rules regarding the payment of the instructors and new forms of check books would have to be used. This information came from the state office, which was informed that there were none of the new-fangled books on hand, and this will be necessary in order that the teachers not be disappointed. It is probable the checks will be sent in due time. However, more time will be required to fill them out.

Casey Land Sells At \$435 An Acre

Owens, Cowan and Co., of Hustonville, broke all records Saturday when they sold for A. J. Garrison his farm on Rolling Fork in Casey county, at from \$185 to \$435 an acre. The place contains 160 acres and it was cut into several tracts, \$435 per acre for Casey county land, 10 miles or more from the railroad, is going some, even with money as cheap as it is now.—Interior Journal.

Big Sales in Marion

Messrs. Hughes and McCarty, the Stanford real estate men, had two busy days at Lebanon Friday and Saturday. They sold for J. L. Howell his 166 acre farm to Isaacs & Whitehouse at \$182.50. For J. B. Mitchell they sold 55 and 1-2 acres of land to Don Drye of Bradfordsville, at \$135.10. Mr. Mitchell's home in Lebanon was withdrawn at \$8,750. They sold J. R. Durrett's home in Lebanon to A. W. Ward for \$8,100.

Hail Ruins Tobacco

Winchester, Ky., Sept. 15.—Hail has destroyed 30 acres of tobacco belonging to Jesse Hampton, formerly of Clark county, on his farm near Owingsville. Mr. Hampton said he was just ready to begin housing his tobacco, one of the best crops that he had ever raised, when on Saturday afternoon the hail fell, totally ruining it.

THERE will be an ice cream supper at the Deatherage school house, on the Lexington pike, Saturday night, Sept. 18.—Miss Ethel Tudor, teacher. 224 2

F. H. GORDON

OVER 100 CLASSES DAILY AT NORMAL

Avenues of Learning Being Widened and Finer Work Is Presented For Students

Dean E. C. McDougale, of Eastern Normal, has concluded his county institute work, having finished that of Henry county, and turned his attention to his annual task at Eastern, and the completion of the schedule of classes for the coming and following terms this year will soon result. Dr. McDougale quit the institute work with difficulty, his services being in great demand. The West Virginia state board desired that he devote his entire vacation period to institute work there. He was compelled to refuse this, in that he had already been scheduled to conduct institutes in various other counties, both before and after the West Virginia work started.

The schedule of classes means the assignment of each member of the faculty and this will be followed by the enrollment and classification of students as they arrive, which work will be started next week. During the year there will be an average of more than 100 classes daily at the Normal. The enrollment work, which is in itself very extensive, gives promise of being as large as any previous year. Various representatives of the official force report the finest line of work and the most extensive list of studies ever presented, being ready for the term soon to open.

The return upon the part of the students is said to be far above the ordinary and with the completion of the dormitories and other improvements either under course of construction or contemplated, the year promises to be out of the ordinary in many ways. Other members of the official staff will start in their work every day or two and continue until the opening next week when all departments will be filled and everything in readiness for the start. The correspondence feature, the extension work and other original features being added to the list brings about more brilliant prospects for the future.

C. W. LANTER IS INJURED IN FALL FROM APPLE TREE

C. W. Lanter fell from a tree while picking apples during the past week and sustained a severely sprained ankle and other injuries. He walks with the assistance of a pair of crutches. He asserts there are thousands of bushels of apples in Estill county, where he has been at work, and that there are not sufficient men to pick them. He has the contract for a large quantity and will return to the scene of operations as soon as his injuries will permit. Mr. Lanter claims Estill county is rapidly forging to the front as an apple-producing county, and that there is an increase in the production of apples in Madison county, as well as peaches.

Women of France are learning for the first time to can fruits and vegetables. They are taking lessons from Americans there.

The first air mail plane to carry mail from New York to the western coast has reached San Francisco.

THERE will be a pie supper at Waco High School Saturday evening at 7:30; proceeds for the benefit of the basket ball team. 224 2
